Army Transition Assistance Program (TAP)

• You may initiate the Army TAP process 24 months before retirement.

• You **MUST** begin the Army TAP process and complete the mandatory Pre-Separation Counseling no later than 365 days before your effective retirement date.

• Soldiers need an average of 40 hours, spread over a 12-24 month period of time, to take advantage of Army TAP services.

• Consists of:
  - Pre-separation counseling
  - Job assistance workshops
  - Individual counseling
  - Job search resources

• Army TAP Home Page: [https://www.armytap.army.mil/](https://www.armytap.army.mil/)
DoD Skillbridge Program and Army Career Skills Program

The DoD SkillBridge Program:

Provides an opportunity for service members to gain valuable civilian work experience through **specific industry training, apprenticeships, or internships during the last 180 days of service**. Service members participating in SkillBridge receive their military compensation and benefits, and industry partners provide the training and work experience.

https://skillbridge.osd.mil/

The Army Career Skills Program (CSP):

Affords transitioning service members the opportunity to participate in **employment skills training (EST), on-the-job training (OJT), pre-apprenticeships and internships** with a high probability of employment in high-demand and highly-skills jobs. Participation must occur **within the last 180 days of military service**, with an honorable discharge.

How does the 180-Day Restriction on Hiring Retired Military Impact Me?

• The Department of Defense (DoD) has restrictions on hiring military members for DoD Federal civilian positions within 180 days of retirement. This includes and impacts military members on transition leave.

• Military retirees may not be appointed within 180 days after the effective date of military retirement as an appropriated fund (GS), or non-appropriated fund (NAF) civilian employee unless the position is covered by a special salary.

• The 180-day restriction is in place unless the hiring official requests and receives an approved waiver.

Retirement Considerations

• **Retirement date**
  - Always the 1st day of the month for length-of-service retirements
  - Can be any day of the month for disability retirements

• **Active duty service obligation**
  due to promotion, PCS, completion of military or civilian schooling, etc.

• **Transfer of the Post-9/11 GI Bill**
  Service obligation incurred upon transferring Post-9/11 GI Bill benefits to a dependent is not an ADSO, therefore it may not be waived.

• **Reassigned on a PCS**
  must complete ADSO requirements to retire (Enlisted AR 635-200, or Officer AR 350–100)

• **In lieu of PCS**
  apply within 30 calendar days of alert for a retirement date no more than 6 months (Officer) or 12 months (or the first day of the month after attaining 20 years AFS, whichever is later, [Enlisted]) from the date of the PCS alert. (see AR 350–100/AR 600-8-24 [Officer] or AR 635-200 [Enlisted])
Transferring your Post 9/11 GI Bill

(https://milconnect.dmdc.osd.mil/milconnect/)

- Since 1 August 2013, Soldiers who transfer Post-9/11 GI Bill education benefits to their dependents incur a **4-year service obligation**.
- If you retire without completing your service obligation, you will incur a debt.

Calculate Your Retired Pay in 3 Steps

**Step 1:** Determine your Date of Initial Entry into Military Service (DIEMS). **This is the date of your initial service contract. This date does not change regardless of breaks in service or changes in duty status.**

**Step 2:** Determine which pay plan you are eligible for based on your DIEMS date.

**Step 3:** Use the appropriate formula to calculate your retired pay.

Where to validate your DIEMS

The brigade/installation Personnel Automation Section POC can correct DIEMS dates.

The local finance office will correct the Defense Joint Military System.

Once a Soldier’s DIEMS can be verified, the changes will be reflected on the ERB/LES.

For a fast, personalized retired pay calculation, go to [https://myarmybenefits.us.army.mil/Benefit-Calculators/](https://myarmybenefits.us.army.mil/Benefit-Calculators/) and click on the retirement calculator.

Retirement Physical

• The Army requires a **Separation History and Physical Exam (SHPE)** prior to retirement

• Physical exams performed by the DoD are valid for up to 12 months before the date of retirement*

• Your last record of active duty health

• Assists with claim for VA service-connected disability

• Most sites now provide combined Service and VA retirement physicals

Use the results of your retirement physical to apply for VA disability benefits under the:

• Benefits Delivery at Discharge (BDD) Program (90-180 days left)
• Fully Developed or Standard Claim (1-89 days left)

VA goal is to start disability payments within 60 -120 days of retirement. Visit the VA web site at [https://www.va.gov/disability/how-to-file-claim/when-to-file/pre-discharge-claim/#ways-to-file](https://www.va.gov/disability/how-to-file-claim/when-to-file/pre-discharge-claim/#ways-to-file) or call 1-800-827-1000

* DA PAM 40-502
SHPE Timeline

• A SHPE up to 30 days prior to the date of retirement requires no further documentation.

• Physical exams conducted up to 90 days prior to the date of retirement must be validated as current not more than 30 days* before retirement. Such validation is an administrative requirement.

• Physical exams performed by the VA can be conducted up to 180 days prior to the date of retirement. Physical exams must be administratively validated as current no more than 30 days* prior to the retirement date.

• Physical exams may be performed by the DoD up to 12 months before the date of retirement, but must be updated with a new medical assessment no more than 30 days* prior to the date of retirement.

*No more than 30 days prior to retirement, there must be an administrative review and validation of the qualifying SHPE by completing block 85 on the DD Form 2808. When the Soldier has terminal leave, the final out-processing date may be used in lieu of the date of retirement for the timeline requirements (other than the 12-month period).

• Retiring service members can enroll in a FEDVIP dental and/or vision plan between 31 days prior to their military retirement date and up to 60 days following
  - To prevent a gap in coverage between your active duty or reserve plan and your new FEDVIP plan, you must enroll prior to your military retirement date

The Federal Long Term Care Insurance Program (FLTCIP)

Who is eligible?
- Active and retired members of the uniformed services and their spouses or domestic partners
- Qualified relatives can also apply, even if you don’t, including:
  - Parents, parents-in-law, and stepparents of living active members of the uniformed services; parents of retirees are not eligible

Why the FLTCIP?
- Long term care (LTC) can be expensive, and it is generally not covered by TRICARE, TRICARE For Life, or Medicare
  - VA benefits may cover LTC, but coverage is based on available funding and is limited to those with service-connected disabilities
- The FLTCIP reimburses for qualified LTC services and can lessen or eliminate reliance on loved ones
- The FLTCIP can also help to protect your pension, savings, or other investments from being exhausted by LTC costs

Apply today
- Premiums are based on your age at the time of application
- Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You need to apply to find out if you qualify for coverage under the FLTCIP.
- Visit LTCFEDS.com for more information or call 1-800-LTC-FEDS (1-800-582-3337) TTY 1-800-843-3557

Impact of ID Card Changes at Retirement

• Soldier turns in Common Access Card (CAC)

• The Retired Uniformed Services ID (USID) card is not a CAC, so…
  
  • No access to DOD Enterprise Email
  
  • No access to CAC-enabled systems
  
  • Must change *myPay* account to commercial email
  
  • Must obtain DS Logon Account to access records and systems

• DoD has transitioned to the issuance of a more secure next generation USID to replace the former paper-based USID. Although the new USID looks like a CAC, it does not contain a chip. For more information go to https://www.cac.mil/Next-Generation-Uniformed-Services-ID-Card/
