<sup>1</sup> Because of the small population of transitioning RA Soldiers to the state, we will examine all three Components in all data points for this presentation unless otherwise specified. RA will appear in the Chart Title when looking at only Regular Army Component.  
 \* MSA stands for Metropolitan Statistical Area. A MSA is a predetermined land area that contains a population center with at least 50,000 people residing within its borders. A Micropolitan Area has a population center of at least 10,000 but less than 50,000 (Census Bureau). Some MSAs split states however the numbers only reflect those that transitioned to the RI side of the MSA.
