## Other Retirement Considerations

- **Retirement date**
  - 1<sup>st</sup> day of the month if for length-of-service
  - any date for disability retirement
- **In lieu of PCS** – apply within 30 calendar days of alert for a retirement date no more than 6 months from the date of the PCS alert or the first day of the month after the officer attains 20 years AFS, whichever is later.
- **Active duty service obligations** due to promotion, PCS, transferring GI Bill
- **Retiring on same day as AD pay raise** (final pay only)

# ***Non-Regular Retirement Eligibility & Transfer to Retired Reserve***

- ***Acquire the minimum qualifying years***
  - 20 years for normal retirement; 15 years for a medical retirement
  - 6 or 8 year final service rule might apply:
    - NOE prior to 5 Oct 94? Serve last 8 years in RC
    - NOE 5 Oct 94 to 24 Apr 05? Serve last 6 years in a RC
    - NOE 25 Apr 05 and later? No RC service requirement
- ***Applying to Transfer to Retired Reserve (Gray Area)***
  - TPU member under 60: Submit DA 4651 to chain of command & follow unit checklist
  - IRR, AGR or 60+: Submit DA 4651 to HRC
  - National Guard follow the procedures of your state

# Nonregular Retirement Facts

- **Points = Retired Pay:** verify yours are correct NOW!
- **Retired Pay before 60?** After 28 JAN 08, federal law reduces nonregular retirement age 90 days for each 90-day increment on qualifying orders. CANNOT cross fiscal year boundaries. The maximum reduction is to age 50.
- **When to Apply:** NET than 9 months and NLT than 90 days prior to the date retired pay is to start. HRC mails RC retirement applications during the month prior to the 59<sup>th</sup> birthday. *It's the Soldier's responsibility to ensure HRC has the current address and to request early retirement if authorized.*

**About 50% of retired pay application packets mailed by HRC to Gray Area Soldiers are returned to HRC because the Soldiers moved and didn't let HRC know!**

**Step 3**: Use the appropriate formula to calculate your retired pay

## Where to validate your DIEMS

The brigade/installation Personnel Automation Section POC can correct DIEMS Dates. The local finance office will correct the Defense Joint Military System. Once a Soldier's DIEMS date can be verified, the changes will be reflected on the ERB/LES.

**GI Bill stipend make-up checks coming in August**  
Unexpecting of using services to 153,000 veterans using the Post-9/11 GI Bill will be corrected in August when the Veterans Affairs Department issues one-time catch-up checks to anyone who has received the stipend since Jan. 1, 2009, which is the date that the program changed when VA's 100 combat living allowances in January after military housing allowances, on which the stipends are based, increased.

**07/21/10**  
**Officers group objects to new MyCAA limitations**  
The Defense Department's revised policy for the My Career Advancement Account program "yanks the rug out from under career spouses yet again," said Steve Shepperson, government relations director for the Military Officers Association of America. MOAA has expressed strong disagreement with the Pentagon's decision to severely limit military spouses' eligibility for tuition funding through the MyCAA program, announced Tuesday.

**Hold off on new GI Bill changes, VA urges**  
The top education official for the Veterans Affairs Department is asking Congress to delay until Aug. 1, 2011, any significant changes or improvements in the Post-9/11 GI Bill.

**07/20/10**  
**Gray-area reservists' Tricare wait**  
Tricare health benefits for so-called "gray area" reserve retirees remain elusive, with signs the Defense Department won't keep a promised Oct. 1 start date. Aimed at National Guard and reserve component members who have earned retirement benefits but are not yet eligible for health care or retired pay because they have not reached retirement age, the Tricare Reserve Program was authorized by Congress last October.

**07/23/10**  
**Iraq deployments could drop to 9 months**  
U.S. planners in Iraq are considering cutting troop deployments from 12 months to as few as nine months some time after the 100th anniversary of the war's end, the top U.S. commander there said Wednesday. "I think nine months would be reasonable," Army Gen. Ray Odierno said during a Pentagon news conference. But he cautioned that there is no certainty such a change will take place during the period between September and Dec. 31, 2011, by which time all major U.S. military units must be withdrawn.

- Your last record of active duty health
- Assists with claim for VA service-connected disability

Use the results of your retirement physical to apply for VA disability benefits under the

- Benefits Delivery at Discharge (BDD) Program (60-180 days left)
- Quick Start Program (<60 days left or not available for VA exam at separation point)

VA goal is to start disability payments within 60 -120 days of retirement. Visit the VA web site at <http://www.va.gov> or call 1-800-827-1000

# VA Compensation for Service-Connected Disability

## VA rates disabilities 0% - 100%

- Each % has an assigned dollar amount
- 2014 basic rates: from \$131 (10%) to \$2858 (100%)  
(30% & higher = Extra dependent allowance)
- Tax free payments
- *For retirees <50% disabled*, offsets military retired pay \$ for \$
- Free VA medical care for service-connected conditions
- 0% rating means a condition is service related, but is not severe enough to merit disability pay

## ***Post 9/11 GI Bill Transferability***

- Soldiers who transfer Post-9/11 GI Bill education benefits to their dependents incur a **4-year service obligation**. Soldiers cannot retire until their service obligations are satisfied, with a few exceptions.
- **Confirm obligation end date** before establishing retirement date by visiting the Transfer of Education Benefits website (<http://milconnect.dmdc.mil>).
- VA will **revoke the transfer and recoup benefits** already used by dependents of Soldiers who are separated or released under involuntary provisions before the agreed upon additional service commitment.
